LICENSE [illegible]GREEMENT

AGREEMENT of license under copyright made in [illegible] more counterparts between the Distributor hereinafter [illegible]poration (hereinafter referred to as Distributor), and Exhibitor (hereinafter named and referred to as Exhibitor, operating th[illegible]tre hereinafter designated), as follows:—

LICENSE—FIRST: Exhibitor is hereby granted and accepts, in respect of the motion picture or pictures embraced in the Schedule, Article Twenty-Third for which Exhibitor's applications are accepted (such motion picture or pictures being hereinafter collectively referred to as the "pictures") under the respective copyrights thereof and under the copyright of any matter included in any sound recorded therewith, a license to exhibit publicly said pictures (but only by means of a print furnished by Distributor) and to reproduce for public performance such recorded sound in synchronism therewith, but only at said theatre for the number of consecutive days specified in said Schedule on the Exhibition date or dates selected or designated as hereinafter provided or otherwise agreed upon and confirmed in writing by Distributor and for no other purpose, provided that if copyrighted musical compositions are included in such recorded sound, Exhibitor will have at the date or dates of exhibition of each picture a license from the copyright proprietor of such compositions or from any licensee of such copyright proprietor to publicly perform said copyrighted musical compositions and provided further that the reproducing equipment in said theatre will operate in a first class manner to reproduce such recorded sound with adequate volume and high quality. If more than one theatre is hereinafter designated the pictures are licensed for exhibition at only one of such theatres, unless otherwise in the Schedule specified. No right of exhibition, except in this clause provided prior to 6 A.M. of the first licensed and booked date of exhibition of any picture is granted hereunder, unless otherwise provided in the Schedule.

TITLES—EXCLUSIONS—SECOND: The titles and casts of any picture or pictures listed in the schedule are tentative and the Distributor reserves the right to change same and substitute other titles and casts therefor in its sole discretion and without notice. Distributor shall have the right to exclude from this license any motion picture not produced or not generally released for public exhibition on or before August 31st first succeeding the date of counter-signature and approval of this agreement.

PAYMENT—THIRD: (a) Exhibitor agrees to pay for the license as to each picture the fixed sums or minimum guaranteed rental, as specified in the Schedule, at least three days in advance of the date of delivery of a print thereof. All payments under this agreement shall be made to Distributor at the Exchange servicing Exhibitor.

PERCENTAGE BOOKINGS—(b) If the rental of any of such picture or pictures is to be determined either in whole thereof or in part upon the admission receipts of said theatre or any part thereof, Exhibitor agrees to pay such rental immediately after the last exhibition upon the last date of the exhibition of each such picture or at Distributor's option at the end of each day's exhibition. In each case, Exhibitor shall deliver to Distributor immediately after the last exhibition, upon each date of exhibition of each such picture, a correct itemized statement of the admission receipts, specifying the number of admissions at the respective admission prices charged and such other data concerning other facts and figures required in the Schedule to be furnished by Exhibitor and which shall be signed by Exhibitor or the Manager or Treasurer of said theatre and the cashier thereof and, at Distributor's option such statement shall be upon forms furnished by Distributor. Upon the exhibition date or dates of each picture and at all times thereafter an authorized representative of Distributor is hereby given the right to verify the sale of all tickets of admissions and the number of admissions to said theatre, and the receipts therefrom; and for such purpose shall have access to the theatre, including the box office and the right to examine any and all ticket machines and/or devices and all tickets and stubs, and also the right at all times to examine all relevant entries relating to the number of admissions and the gross receipts in all Exhibitor's books and records, and if hereunder it is provided that Exhibitor makes certain expenditures or deductions, or if the film rental to be paid shall be predicated upon the Exhibitor's theatre operating expenses, to examine all entries relating to such expenditures, deductions or theatre operating expenses. Such right of access and examination of Exhibitor's books and records shall be a continuing right which Distributor shall be privileged to exercise without restriction or limitation. Exhibitor agrees that acceptance by Distributor of any sum tendered in full or partial payment of any license fee or fees hereunder shall be without prejudice to any of the rights of Distributor under this license and shall not prevent or estop Distributor from thereafter disputing the accuracy of the reported gross receipts or the correctness of the payment made, nowithstanding the conditional payment thereof or attempted reservations of rights or purported rights by Exhibitor at or before the tender of such payment and Exhibitor shall remain fully liable for any balance due under the terms hereof.

LIQUIDATED DAMAGES—(c) If Exhibitor fails or refuses to exhibit any of said picture(s) and if the damage so caused cannot be definitely computed and the rental or any part thereof is to be computed in whole or in part upon a percentage of the admission receipts or any part thereof Exhibitor shall pay Distributor as liquidated damages for each day Exhibitor fails or refuses to exhibit such picture(s), (in addition to any fixed sums payable in respect thereof) a sum equal to such percentage of the average daily gross receipts of such theatre on each date any feature motion picture distributed by Distributor was exhibited thereat during the period of ninety days prior to the date or dates when such picture should have been so exhibited hereunder, or if no feature picture distributed by Distributor was exhibited at such theatre during said ninety day period, then a sum equal to such percentage of the average daily gross receipts of such theatre during the period of thirty operating days immediately prior to the date or dates when such picture(s) should have been exhibited, or prior to the date of such failure or refusal to exhibit such picture(s); provided that if Exhibitor shall exhibit such picture(s) for less than the full number of days provided for in the Schedule, for each day less than said full number of days, the sum equal to such percentage shall be computed upon a sum equal to sixty-five (65%) per cent of the gross receipts of said theatre during the last day of the exhibition thereat of such picture. A sworn statement of the said daily gross receipts shall be delivered by Exhibitor to Distributor upon demand therefor.

DELIVERY AND RETURN OF PRINTS—FOURTH: (a) After each picture is generally released for public exhibition and becomes available for exhibition hereunder by Exhibitor, Distributor agrees to deliver a print thereof to Exhibitor, as hereinafter provided. The public exhibition for three (3) consecutive days at prices usually charged for admission to the theatre where so exhibited in the Exchange territory wherein Exhibitor's theatre is located excepting any "road show," "tryout," "preview," or "pre-release" exhibition thereof, shall be deemed the general release for public exhibition of said picture, but only in such territory. A "pre-release" exhibition shall be deemed any exhibition because of seasonal conditions making desirable in Distributor's sole discretion, exhibition in advance of general release as herein defined.

(b) Distributor shall make deliveries hereunder to Exhibitor by delivery at Distributor's exchange, or to a common carrier, or to the United States Postal authorities. Deliveries to a carrier or to a post office, shall be made in time for prints to reach the said theatre in time for inspection and a projection thereof before the usual time for opening said theatre. Exhibitor agrees to return immediately after the last exhibition on the last date of exhibition licensed, each print received hereunder, with its reels and containers, to Distributor's said exchange or as otherwise directed by Distributor in the same condition as when received, reasonable wear and tear due to proper use excepted. Exhibitor agrees to pay all costs of transportation of such prints, reels, and containers from Distributor's exchange or the last previous exhibitor having possession of the same, and return to Distributor's exchange; or if directed by Distributor, to ship such positive prints elsewhere than to Distributor's exchange, transportation charges collect. If Exhibitor fails to or delays the return of any positive print to Distributor or fails to forward or delays forwarding (as directed by Distributor) any such print to any other exhibitor, Exhibitor agrees to pay Distributor the damage, if any, so caused Distributor and in addition the damage, if any, so caused such other exhibitor.

LOSS AND DAMAGE TO PRINTS—FIFTH: Exhibitor shall pay Distributor a sum equal to the cost of replacement at Distributor's exchange for each linear foot of any print, lost, stolen or destroyed or injured in any way in the interval between the delivery to and the return thereof by Exhibitor provided that Exhibitor shall not be liable for damage or destruction of any print if such occurred while in transit from Exhibitor and delivery was made as hereinabove provided. Such payment, however, shall not transfer title to or any interests in any such positive print to Exhibitor or any other party. Distributor shall repay or credit to Exhibitor any sums so paid upon the return of such lost or stolen print to Distributor within sixty (60) days after the date when the same should have been returned hereunder. Exhibitor shall immediately notify Distributor's exchange by telegram of the loss, theft of destruction of or damage or injury to any print. If any print shall be received from Exhibitor by Distributor or any subsequent exhibitor in a damaged or destroyed condition it shall be deemed to have been so damaged or destroyed by Exhibitor unless the latter, immediately prior to the first public exhibition thereof shall have telegraphed Distributor's exchange that such print was received by Exhibitor in a damaged or destroyed condition, and setting forth fully the nature and extent of such damage or destruction.

SELECTION OF PLAYDATES—SIXTH: (a) Unless definitely specified or otherwise provided for in the Schedule, the Exhibition date of each picture shall be determined as follows:

1. Subject to prior runs or clearance heretofore or hereafter granted to other exhibitors and within a reasonable time after prints thereof are received at the exchange serving Exhibitor, and provided Exhibitor is not in default hereunder, Distributor shall mail to Exhibitor written notice of the date when such picture will be available for exhibition by Exhibitor (which date is hereinafter referred to as the "available date"). Such notice shall be mailed to Exhibitor at least fifteen (15) days before the available date.

2. Within fourteen (14) days after the mailing of such notice, Exhibitor shall select an exhibition date or dates not theretofore assigned to another exhibitor or other exhibitors, within the period commencing upon the available date and ending thirty (30) days thereafter and give to Distributor written notice of the date or dates so selected.

3. Upon the failure of Exhibitor to so select such date or dates Distributor shall designate such date or dates by mailing written notice thereof to Exhibitor.

(b) If Exhibitor shall fail for any reason to exhibit any picture within thirty (30) days after the date or dates fixed, as provided in Subdivision (a) above, if Exhibitor is granted a first run thereof or within twenty-one (21) days after the date or dates fixed as aforesaid if Exhibitor is granted a second run, or within fourteen (14) days after the date or dates fixed as aforesaid if Exhibitor is granted a run subsequent to second run, the clearance, if any, herein granted shall be deemed waived by Exhibitor and Distributor may make the picture available to exhibitors to which it has been licensed for other run(s) but nothing herein contained shall diminish Exhibitor's obligation to play such picture and pay therefor the license fee hereunder.

(c) Upon the waiver of the grant of the run or the clearance period of such picture as provided in this Clause, Exhibitor upon payment of the sum or sums payable hereunder for the license to exhibit such picture, shall have the right to exhibit the same hereunder upon a date or dates not in conflict with any run or clearance period granted or hereafter granted to other exhibitors, by written request mailed or delivered to Distributor within sixty (60) days after the last date upon which such picture should have been exhibited by Exhibitor, as provided in this Clause. Failing to make such request within said period of sixty (60) days the exhibition license as to such picture shall terminate and revert to Distributor.

CLEARANCE AND RUN—SEVENTH: Distributor agrees not to exhibit or grant a license to exhibit any picture for exhibition in conflict with the "run" or prior to the expiration of the "clearance period" if any in the Schedule specified at any theatre therein named or within the territorial limits therein specified. Such period of clearance as to each picture shall be computed from the last date of the exhibition thereof licensed hereunder. If the clearance granted hereunder shall be [illegible]mined to be unreasonable as to time or area by judicial or other order or decree [illegible] upon Distributor then same shall forthwith be reduced as to pictures thereafter exhibited hereunder [illegible] the period and for the area so found to be reasonable and without liability to Distributor. If Exhibitor is granted a second or subsequent "run", Distributor shall have the right in its sole discretion to grant Exhibitor in respect of any of the pictures, a "run" prior to such second or subsequent "run" by giving written notice thereof to Exhibitor and Exhibitor shall thereupon exhibit any such pictures in accordance therewith.

DAMAGES—EIGHTH: If Distributor shall fail or refuse to deliver, or Exhibitor shall fail or refuse to exhibit any of said pictures, upon the confirmed date or dates therefor, or if Distributor shall willfully violate any of the provisions hereof Exhibitor or Distributor, as the case may be, shall pay the damage so caused (which shall be limited in amount, however, to a sum not in excess of the amount fixed or determinable as liquidated damages, as hereinafter provided) and if such damage cannot be definitely computed shall pay as liquidated damages a sum equal to the fixed sum herein specified as the rentals of such picture(s) or a sum computed as provided in Clause Third (c) [illegible], if the rentals of such picture(s) are to be determined either in whole or in part upon a percentage of the admission receipts, or any part thereof, of said theatre, or upon a percentage of such receipts and a fixed sum; provided that any claim by Exhibitor with respect to the condition of a print shall be deemed to have been waived by Exhibitor unless notice of such claim shall have been given by Exhibitor to Distributor's exchange from which Exhibitor is served, by telephone or telegraph or in person, immediately prior to the first public exhibition thereof by Exhibitor and written confirmation thereof mailed by Exhibitor upon the same day to Distributor's said exchange.

WAIVER—NINTH: The waiver by either party of any breach or default by the other party shall not be construed as a waiver of any other or subsequent breach or default by such other party.

DISTRIBUTOR'S COUNSEL FEES—TENTH: In case the Distributor shall institute and prosecute any action against the Exhibitor for any sums becoming due to the Distributor hereunder either by way of rentals, liquidated damages or otherwise, then and in any such case, in addition to the sums sued for and the interest and costs allowable in such action, the Distributor shall be entitled to recover from the Exhibitor its reasonable counsel fees in connection with the institution and prosecution of such action and the collection of any judgment secured therein.

ADVERTISING PRIOR TO LICENSED RUN—ELEVENTH: If the pictures are licensed upon a subsequent run Exhibitor shall not in any wise advertise any thereof prior to or during the exhibition thereof by another exhibitor having a prior run thereof except that Exhibitor may advertise generally all of the pictures as a group, but such general advertising shall not refer to any one thereof prior to or during its exhibition by any other exhibitor entitled to prior run thereof. For a breach of the provisions of this Clause Distributor, in addition to and without prejudice to all other rights and remedies on account thereof, shall have the right to exclude the picture advertised in violation thereof from this license by notice in writing upon the mailing of which this license, as to such picture, shall terminate and revert to Distributor.

ASSIGNMENT OF CONTRACT—TWELFTH: This license is not assignable by Exhibitor and no attempted assignment by Exhibitor shall be valid without the written consent of Distributor who may require, as a condition thereto, the assumption by the assignee of Exhibitor's obligations, which assumption shall not effect the discharge of Exhibitor's obligation hereunder.

TAXES—THIRTEENTH: Exhibitor shall pay to Distributor upon demand all taxes, now or hereafter levied, imposed or based upon the delivery or the exhibition of the pictures or upon the sums payable hereunder by Exhibitor or Distributor or the rental of the rights granted hereunder or any other reason whatsoever. The term "tax", shall include but shall not be limited to taxes, fees, charges, levies, imposts, assessments, excises, however designated whether as a sales, gross income, storage, use, consumption, gross receipts, license, privilege, excise or compensating tax or otherwise. If Exhibitor fails or refuses to pay upon demand such tax, then Distributor shall have the right at its option to C.O.D. delivery of the print of any of the pictures and to include the amount of such tax in said C.O.D. If such tax shall be declared invalid by final judicial decree, Distributor shall not be liable to Exhibitor for the return of the taxes paid by Exhibitor to Distributor if Distributor shall have paid same over to the governmental agency designated to receive or collect same. If such tax shall not have been so paid over and said tax shall be declared invalid by final judicial decree, then Distributor agrees to return to Exhibitor such sums not so paid over.

PREVENTION OF PERFORMANCE—FOURTEENTH: Distributor's obligations hereunder are subject always to Federal and State laws, Governmental orders, rules, regulations, and decrees now or hereafter in effect and if, by virtue of any thereof or of any other contingencies embraced by this Clause, Distributor shall be unable to produce or deliver any of the pictures licensed hereunder, Distributor shall be under no liability on account thereof without affecting in any wise this license as to other pictures. If Exhibitor shall be prevented from exhibiting or Distributor from producing or delivering any picture for causes beyond their direct control (including but not limited to curtailments of or inability to procure necessary materials of equipment for the production thereof, laws, Governmental rules, regulations or orders now or hereafter in effect, Acts of God, war, acts of the enemy, sabotage, strikes, destruction of production facilities or force majeur) then this license in respect of each such picture involved or affected shall terminate and revert to Distributor without liability of either party.

REMEDIES—FIFTEENTH: If Exhibitor shall fail or refuse to pay the rental of any of such pictures as provided in this license or to furnish statements of the receipts of said theatre, if any are required hereunder, or to give Distributor's representative access to the said theatre or its box office or ticket machines or devices and all tickets and stubs and Exhibitor's books and records relative to pictures the rentals of which are based upon the said theatre's admission receipts as herein provided, or if Exhibitor shall exhibit or permit the exhibition of any of said pictures at any time or place other than as herein specified, or if Exhibitor becomes insolvent or is adjudicated a bankrupt, or executes an assignment for the benefit of his creditors, or if a receiver is appointed for any of the property of Exhibitor, or if Exhibitor voluntarily or by operation of law should lose control of said theatre or of his said interests therein, then upon the happening of any one or more of said events, Distributor may at its option; (1) terminate this agreement, or (2) suspend delivery of additional pictures hereunder until such default should cease and be remedied. It is agreed that the exercise of any of said remedies by Distributor shall be in addition to and without prejudice to any right or remedy of Distributor against Exhibitor at law or in equity or otherwise provided herein.

CUTTING OR ALTERATION OF PRINTS—SIXTEENTH: Exhibitor shall exhibit each print in its entirety and shall not copy, duplicate, subrent or part with possession of any print. Exhibitor shall not cut or alter any print, excepting to make necessary repairs thereto, or when required by any duly constituted authority.

BREACH OF OTHER AGREEMENTS—SEVENTEENTH: If Exhibitor shall breach any other agreement between Exhibitor and Distributor made prior to, simultaneously with or subsequent to the making of this agreement, then any such breach under such agreement shall be deemed to be a breach and a default under this agreement and in any such case Distributor shall have all the rights and remedies herein provided as well as those at law, in equity or otherwise, with the same full force and to the same extent as if such breach had been committed hereunder.

RIGHT TO C.O.D.—EIGHTEENTH: Distributor may at its option deliver to Exhibitor C.O.D. any picture deliverable hereunder and may add to said C.O.D. the amount of any indebtedness owing under this or any other agreement by Exhibitor on account of pictures (played or unplayed) or any other claims.

MONIES IN TRUST—NINETEENTH: Where the license fee hereunder for any picture is a fixed and definite sum (i.e., not based upon a percentage of the gross receipts) then if payment is not made in advance of the exhibition thereof and credit is extended, Exhibitor agrees that Distributor shall receive its rental for such picture, out of the first admission receipts from the exhibition of such picture up to the amount due Distributor and such admission receipts shall belong to and be the property of Distributor when they are paid by the patrons and shall be held in trust for Distributor until paid to Distributor and Exhibitor agrees to keep such portion of the gross receipts segregated and in a separate fund and notwithstanding Exhibitor's violation of such requirements Distributor's ownership in such fund shall not be questioned. If the admission fees received upon the exhibition dates of any such picture are not equal to the amount of the license fee due to Distributor therefor, Exhibitor shall nevertheless continue liable for the balance payable to Distributor after such trust funds have been paid to Distributor.

If any picture is licensed upon a percentage of Exhibitor's gross receipts Distributor's share of the gross receipts shall belong to Distributor when paid by the patrons and shall be held in trust for Dsitributor until paid to Distributor; and Exhibitor agrees to keep such portion of the gross receipts, segregated and in a separate fund and notwithstanding Exhibitor's violation of such requirements Distributor's ownership in such fund shall not be questioned.

ADVERTISING AND ACCESSORIES—TWENTIETH: Exhibitor agrees to advertise and announce each picture as designated in the main title. Exhibitor further agrees that in all newspaper advertising and publicity issued by Exhibitor relating to any of the pictures, Exhibitor shall adhere to the date of announcement contained in the advertising matter issued by Distributor.

ACCEPTANCE BY DISTRIBUTOR—TWENTY-FIRST: Until accepted in writing by an officer of or any person authorized by Distributor and notice of acceptance sent to Exhibitor this instrument shall be deemed only applications for licenses under Copyright, and may be withdrawn by Exhibitor at any time before such acceptance. Unless such notice of acceptance is sent Exhibitor by mail or telegraph within fifteen (15) days after the date thereof, if the said theatre of Exhibitor is located East of the Mississippi River, and within thirty (30) days after the date thereof if located West of said river, said application shall be deemed to have been withdrawn. The deposit by Distributor of any check or other consideration given by Exhibitor at the time of application as payment for any purpose or the delivery of a print or prints of one or more of said pictures shall not be deemed an acceptance hereof by Distributor.

CHANGES IN WRITING—TWENTY-SECOND: This license agreement is complete and all promises, representations, understandings and agreements in reference thereto have been expressed herein. No change or modification hereof shall be binding upon Distributor unless in writing signed by an officer of Distributor, excepting in an emergency and only then, a change or modification may be consented to in writing, but only by the representative of Distributor managing Distributor's exchange out of which Exhibitor is served, provided such change or modification does not change or modify the run, or clearance period, or decrease any rental, or eliminate any picture specified in the Schedule.

LICENSE AGREEMENT

AGREEMENT of license under copyright made in one or more counterparts between the Distributor hereinafter named, a corporation (hereinafter referred to as Distributor), and Exhibitor (hereinafter named and referred to as Exhibitor, operating the theatre hereinafter designated), as follows:—

LICENSE—FIRST: Exhibitor is hereby granted and accepts, in respect of the motion picture or pictures embraced in the Schedule, Article Twenty-Third for which Exhibitor's applications are accepted (such motion picture or pictures being hereinafter collectively referred to as the "pictures") under the respective copyrights thereof and under the copyright of any matter included in any sound recorded therewith, a license to exhibit publicly said pictures (but only by means of a print furnished by Distributor) and to reproduce for public performance such recorded sound in synchronism therewith, but only at said theatre for the number of consecutive days specified in said Schedule on the Exhibition date or dates selected or designated as hereinafter provided or otherwise agreed upon and confirmed in writing by Distributor and for no other purpose, provided that if copyrighted musical compositions are included in such recorded sound, Exhibitor will have at the date or dates of exhibition of each picture a license from the copyright proprietor of such compositions or from any licensee of such copyright proprietor to publicly perform said copyrighted musical compositions and provided further that the reproducing equipment in said theatre will operate in a first class manner to reproduce such recorded sound with adequate volume and high quality. If more than one theatre is hereinafter designated the pictures are licensed for exhibition at only one of such theatres, unless otherwise in the Schedule specified. No right of exhibition, except in this clause provided prior to 6 A.M. of the first licensed and booked date of exhibition of any picture is granted hereunder, unless otherwise provided in the Schedule.

TITLES—EXCLUSIONS—SECOND: The titles and casts of any picture or pictures listed in the schedule are tentative and the Distributor reserves the right to change same and substitute other titles and casts therefor in its sole discretion and without notice. Distributor shall have the right to exclude from this license any motion picture not produced or not generally released for public exhibition on or before August 31st first succeeding the date of counter-signature and approval of this agreement.

PAYMENT—THIRD: (a) Exhibitor agrees to pay for the license as to each picture the fixed sums or minimum guaranteed rental, as specified in the Schedule, at least three days in advance of the date of delivery of a print thereof. All payments under this agreement shall be made to Distributor at the Exchange servicing Exhibitor.

PERCENTAGE BOOKINGS—(b) If the rental of any of such picture or pictures is to be determined either in whole thereof or in part upon the admission receipts of said theatre or any part thereof, Exhibitor agrees to pay such rental immediately after the last exhibition upon the last date of the exhibition of each such picture or at Distributor's option at the end of each day's exhibition. In each case, Exhibitor shall deliver to Distributor immediately after the last exhibition, upon each date of exhibition of each such picture, a correct itemised statement of the admission receipts, specifying the number of admissions at the respective admission prices charged and such other data concerning other facts and figures required in the Schedule to be furnished by Exhibitor and which shall be signed by Exhibitor or the Manager or Treasurer of said theatre and the cashier thereof and, at Distributor's option such statement shall be upon forms furnished by Distributor. Upon the exhibition date or dates of each picture and at all times thereafter an authorized representative of Distributor is hereby given the right to verify the sale of all tickets of admissions and the number of admissions to said theatre, and the receipts therefrom; and for such purpose shall have access to the theatre, including the box office and the right to examine any and all ticket machines and/or devices and all tickets and stubs, and also the right at all times to examine all relevant entries relating to the number of admissions and the gross receipts in all Exhibitor's books and records, and if hereunder it is provided that Exhibitor makes certain expenditures or deductions, or if the film rental to be paid shall be predicated upon the Exhibitor's theatre operating expenses, to examine all entries relating to such expenditures, deductions or theatre operating expenses. Such right of access and examination of Exhibitor's books and records shall be a continuing right which Distributor shall be privileged to exercise without restriction or limitation. Exhibitor agrees that acceptance by Distributor of any sum tendered in full or partial payment of any license fee or fees hereunder shall be without prejudice to any of the rights of Distributor under this license and shall not prevent or estop Distributor from thereafter disputing the accuracy of the reported gross receipts or the correctness of the payment made, nowithstanding the conditional payment thereof or attempted reservations of rights or purported rights by Exhibitor at or before the tender of such payment and Exhibitor shall remain fully liable for any balance due under the terms hereof.

LIQUIDATED DAMAGES—(c) If Exhibitor fails or refuses to exhibit any of said picture(s) and if the damage so caused cannot be definitely computed and the rental or any part thereof is to be computed in whole or in part upon a percentage of the admission receipts or any part thereof Exhibitor shall pay Distributor as liquidated damages for each day Exhibitor fails or refuses to exhibit such picture(s), (in addition to any fixed sums payable in respect thereof) a sum equal to such percentage of the average daily gross receipts of such theatre on each date any feature motion picture distributed by Distributor was exhibited thereat during the period of ninety days prior to the date or dates when such picture should have been so exhibited hereunder, or if no feature picture distributed by Distributor was exhibited at such theatre during said ninety day period, then a sum equal to such percentage of the average daily gross receipts of such theatre during the period of thirty operating days immediately prior to the date or dates when such picture(s) should have been exhibited, or prior to the date of such failure or refusal to exhibit such picture(s); provided that if Exhibitor shall exhibit such picture(s) for less than the full number of days provided for in the Schedule, for each day less than said full number of days, the sum equal to such percentage shall be computed upon a sum equal to sixty-five (65%) per cent of the gross receipts of said theatre during the last day of the exhibition thereat of such picture. A sworn statement of the said daily gross receipts shall be delivered by Exhibitor to Distributor upon demand therefor.

DELIVERY AND RETURN OF PRINTS—FOURTH: (a) After each picture is generally released for public exhibition and becomes available for exhibition hereunder by Exhibitor, Distributor agrees to deliver a print thereof to Exhibitor, as hereinafter provided. The public exhibition for three (3) consecutive days at prices usually charged for admission to the theatre where so exhibited in the Exchange territory wherein Exhibitor's theatre is located excepting any "road show," "tryout," "preview," or "pre-release" exhibition thereof, shall be deemed the general release for public exhibition of said picture, but only in such territory. A "pre-release" exhibition shall be deemed any exhibition because of seasonal conditions making desirable in Distributor's sole discretion, exhibition in advance of general release as herein defined.

(b) Distributor shall make deliveries hereunder to Exhibitor by delivery at Distributor's exchange, or to a common carrier, or to the United States Postal authorities. Deliveries to a carrier or to a post office, shall be made in time for prints to reach the said theatre in time for inspection and a projection thereof before the usual time for opening said theatre. Exhibitor agrees to return immediately after the last exhibition on the last date of exhibition licensed, each print received hereunder, with its reels and containers, to Distributor's said exchange or as otherwise directed by Distributor in the same condition as when received, reasonable wear and tear due to proper use excepted. Exhibitor agrees to pay all costs of transportation of such prints, reels, and containers from Distributor's exchange or the last previous exhibitor having possession of the same, and return to Distributor's exchange; or if directed by Distributor, to ship such positive prints elsewhere than to Distributor's exchange, transportation charges collect. If Exhibitor fails to or delays the return of any positive print to Distributor or fails to forward or delays forwarding (as directed by Distributor) any such print to any other exhibitor, Exhibitor agrees to pay Distributor the damage, if any, so caused Distributor and in addition the damage, if any, so caused such other exhibitor.

LOSS AND DAMAGE TO PRINTS—FIFTH: Exhibitor shall pay Distributor a sum equal to the cost of replacement at Distributor's exchange for each linear foot of any print, lost, stolen or destroyed or injured in any way in the interval between the delivery to and the return thereof by Exhibitor provided that Exhibitor shall not be liable for damage or destruction of any print if such occurred while in transit from Exhibitor and delivery was made as hereinabove provided. Such payment, however, shall not transfer title to or any interests in any such positive print to Exhibitor or any other party. Distributor shall repay or credit to Exhibitor any sums so paid upon the return of such lost or stolen print to Distributor within sixty (60) days after the date when the same should have been returned hereunder. Exhibitor shall immediately notify Distributor's exchange by telegram of the loss, theft or destruction of or damage or injury to any print. If any print shall be received from Exhibitor by Distributor or any subsequent exhibitor in a damaged or destroyed condition it shall be deemed to have been so damaged or destroyed by Exhibitor unless the latter, immediately prior to the first public exhibition thereof shall have telegraphed Distributor's exchange that such print was received by Exhibitor in a damaged or destroyed condition, and setting forth fully the nature and extent of such damage or destruction.

SELECTION OF PLAYDATES—SIXTH: (a) Unless definitely specified or otherwise provided for in the Schedule, the Exhibition date of each picture shall be determined as follows:

1. Subject to prior runs or clearance heretofore or hereafter granted to other exhibitors and within a reasonable time after prints thereof are received at the exchange serving Exhibitor, and provided Exhibitor is not in default hereunder, Distributor shall mail to Exhibitor written notice of the date when such picture will be available for exhibition by Exhibitor (which date is hereinafter referred to as the "available date"). Such notice shall be mailed to Exhibitor at least fifteen (15) days before the available date.

2. Within fourteen (14) days after the mailing of such notice, Exhibitor shall select an exhibition date or dates not theretofore assigned to another exhibitor or other exhibitors, within the period commencing upon the available date and ending thirty (30) days thereafter and give to Distributor written notice of the date or dates so selected.

3. Upon the failure of Exhibitor to so select such date or dates Distributor shall designate such date or dates by mailing written notice thereof to Exhibitor.

(b) If Exhibitor shall fail for any reason to exhibit any picture within thirty (30) days after the date or dates fixed, as provided in Subdivision (a) above, if Exhibitor is granted a first run thereof or within twenty-one (21) days after the date or dates fixed as aforesaid if Exhibitor is granted a second run, or within fourteen (14) days after the date or dates fixed as aforesaid if Exhibitor is granted a run subsequent to second run, the clearance, if any, herein granted shall be deemed waived by Exhibitor and Distributor may make the picture available to exhibitors to which it has been licensed for other run(s) but nothing herein contained shall diminish Exhibitor's obligation to play such picture and pay therefor the license fee hereunder.

(c) Upon the waiver of the grant of the run or the clearance period of such picture as provided in this Clause, Exhibitor upon payment of the sum or sums payable hereunder for the license to exhibit such picture, shall have the right to exhibit the same hereunder upon a date or dates not in conflict with any run or clearance period granted or hereafter granted to other exhibitors, by written request mailed or delivered to Distributor within sixty (60) days after the last date upon which such picture should have been exhibited by Exhibitor, as provided in this Clause. Failing to make such request within said period of sixty (60) days the exhibition license as to such picture shall terminate and revert to Distributor.

CLEARANCE AND RUN—SEVENTH: Distributor agrees not to exhibit or grant a license to exhibit any picture for exhibition in conflict with the "run" or prior to the expiration of the "clearance period" if any in the Schedule specified at any theatre therein named or within the territorial limits therein specified. Such period of clearance as to each picture shall be computed from the last date of the exhibition thereof licensed hereunder. If the clearance granted hereunder shall be determined to be unreasonable as to time or area by judicial or other order or decree binding upon Distributor then same shall forthwith be reduced as to pictures thereafter exhibited hereunder to the period and for the area so found to be reasonable and without liability to Distributor. If Exhibitor is granted a second or subsequent "run", Distributor shall have the right in its sole discretion to grant Exhibitor in respect of any of the pictures, a "run" prior to such second or subsequent "run" by giving written notice thereof to Exhibitor and Exhibitor shall thereupon exhibit any such pictures in accordance therewith.

DAMAGES—EIGHTH: If Distributor shall fail or refuse to deliver, or Exhibitor shall fail or refuse to exhibit any of said pictures, upon the confirmed date or dates therefor, or if Distributor shall willfully violate any of the provisions hereof Exhibitor or Distributor, as the case may be, shall pay the damage so caused (which shall be limited in amount, however, to a sum not in excess of the amount fixed or determinable as liquidated damages, as hereinafter provided) and if such damage cannot be definitely computed shall pay as liquidated damages a sum equal to the fixed sum herein specified as the rentals of such picture(s) or a sum computed as provided in Clause Third (c) hereof, if the rentals of such picture(s) are to be determined either in whole or in part upon a percentage of the admission receipts, or any part thereof, of said theatre, or upon a percentage of such receipts and a fixed sum; provided that any claim by Exhibitor with respect to the condition of a print shall be deemed to have been waived by Exhibitor unless notice of such claim shall have been given by Exhibitor to Distributor's exchange from which Exhibitor is served, by telephone or telegraph or in person, immediately prior to the first public exhibition thereof by Exhibitor and written confirmation thereof mailed by Exhibitor upon the same day to Distributor's said exchange.

WAIVER—NINTH: The waiver by either party of any breach or default by the other party shall not be construed as a waiver of any other or subsequent breach or default by such other party.

DISTRIBUTOR'S COUNSEL FEES—TENTH: In case the Distributor shall institute and prosecute any action against the Exhibitor for any sums becoming due to the Distributor hereunder either by way of rentals; liquidated damages or otherwise, then and in any such case, in addition to the sums sued for and the interest and costs allowable in such action, the Distributor shall be entitled to recover from the Exhibitor its reasonable counsel fees in connection with the institution and prosecution of such action and the collection of any judgment secured therein.

ADVERTISING PRIOR TO LICENSED RUN—ELEVENTH: If the pictures are licensed upon a subsequent run Exhibitor shall not in any wise advertise any thereof prior to or during the exhibition thereof by another exhibitor having a prior run thereof except that Exhibitor may advertise generally all of the pictures as a group, but such general advertising shall not refer to any one thereof prior to or during its exhibition by any other exhibitor entitled to prior run thereof. For a breach of the provisions of this Clause Distributor, in addition to and without prejudice to all other rights and remedies on account thereof, shall have the right to exclude the picture advertised in violation thereof from this license by notice in writing upon the mailing of which this license, as to such picture, shall terminate and revert to Distributor.

ASSIGNMENT OF CONTRACT—TWELFTH: This license is not assignable by Exhibitor and no attempted assignment by Exhibitor shall be valid without the written consent of Distributor who may require, as a condition thereto, the assumption by the assignee of Exhibitor's obligations, which assumption shall not effect the discharge of Exhibitor's obligation hereunder.

TAXES—THIRTEENTH: Exhibitor shall pay to Distributor upon demand all taxes, now or hereafter levied, imposed or based upon the delivery or the exhibition of the pictures or upon the sums payable hereunder by Exhibitor or Distributor or the rental of the rights granted hereunder or any other reason whatsoever. The term "tax", shall include but shall not be limited to taxes, fees, charges, levies, imposts, assessments, excises, however designated whether as a sales, gross income, storage, use, consumption, gross receipts, license, privilege, excise or compensating tax or otherwise. If Exhibitor fails or refuses to pay upon demand such tax, then Distributor shall have the right at its option to C.O.D. delivery of the print of any of the pictures and to include the amount of such tax in said C.O.D. If such tax shall be declared invalid by final judicial decree, Distributor shall not be liable to Exhibitor for the return of the taxes paid by Exhibitor to Distributor if Distributor shall have paid same over to the governmental agency designated to receive or collect same. If such tax shall not have been so paid over and said tax shall be declared invalid by final judicial decree, then Distributor agrees to return to Exhibitor such sums not so paid over.

PREVENTION OF PERFORMANCE—FOURTEENTH: Distributor's obligations hereunder are subject always to Federal and State laws, Governmental orders, rules, regulations, and decrees now or hereafter in effect and if, by virtue of any thereof or of any other contingencies embraced by this Clause, Distributor shall be unable to produce or deliver any of the pictures licensed hereunder, Distributor shall be under no liability on account thereof without affecting in any wise this license as to other pictures. If Exhibitor shall be prevented from exhibiting or Distributor from producing or delivering any picture for causes beyond their direct control (including but not limited to curtailments of or inability to procure necessary materials of equipment for the production thereof, laws, Governmental rules, regulations or orders now or hereafter in effect, Acts of God, war, acts of the enemy, sabotage, strikes, destruction of production facilities or force majeur) then this license in respect of each such picture involved or affected shall terminate and revert to Distributor without liability of either party.

REMEDIES—FIFTEENTH: If Exhibitor shall fail or refuse to pay the rental of any of such pictures as provided in this license or to furnish statements of the receipts of said theatre, if any are required hereunder, or to give Distributor's representative access to the said theatre or its box office or ticket machines or devices and all tickets and stubs and Exhibitor's books and records relative to pictures the rentals of which are based upon the said theatre's admission receipts as herein provided, or if Exhibitor shall exhibit or permit the exhibition of any of said pictures at any time or place other than as herein specified, or if Exhibitor becomes insolvent or is adjudicated a bankrupt, or executes an assignment for the benefit of his creditors, or if a receiver is appointed for any of the property of Exhibitor, or if Exhibitor voluntarily or by operation of law should lose control of said theatre or of his said interests therein, then upon the happening of any one or more of said events, Distributor may at its option, (1) terminate this agreement, or (2) suspend delivery of additional pictures hereunder until such default should cease and be remedied. It is agreed that the exercise of any of said remedies by Distributor shall be in addition to and without prejudice to any right or remedy of Distributor against Exhibitor at law or in equity or otherwise provided herein.

CUTTING OR ALTERATION OF PRINTS—SIXTEENTH: Exhibitor shall exhibit each print in its entirety and shall not copy, duplicate, subrent or part with possession of any print. Exhibitor shall not cut or alter any print, excepting to make necessary repairs thereto, or when required by any duly constituted authority.

BREACH OF OTHER AGREEMENTS—SEVENTEENTH: If Exhibitor shall breach any other agreement between Exhibitor and Distributor made prior to, simultaneously with or subsequent to the making of this agreement, then any such breach under such agreement shall be deemed to be a breach and a default under this agreement and in any such case Distributor shall have all the rights and remedies herein provided as well as those at law, in equity or otherwise, with the same full force and to the same extent as if such breach had been committed hereunder.

RIGHT TO C.O.D.—EIGHTEENTH: Distributor may at its option deliver to Exhibitor C.O.D. any picture deliverable hereunder and may add to said C.O.D. the amount of any indebtedness owing under this or any other agreement by Exhibitor on account of pictures (played or unplayed) or any other claims.

MONIES IN TRUST—NINETEENTH: Where the license fee hereunder for any picture is a fixed and definite sum (i.e., not based upon a percentage of the gross receipts) then if payment is not made in advance of the exhibition thereof and credit is extended, Exhibitor agrees that Distributor shall receive its rental for such picture, out of the first admission receipts from the exhibition of such picture up to the amount due Distributor and such admission receipts shall belong to and be the property of Distributor when they are paid by the patrons and shall be held in trust for Distributor until paid to Distributor and Exhibitor agrees to keep such portion of the gross receipts segregated and in a separate fund and notwithstanding Exhibitor's violation of such requirements Distributor's ownership in such fund shall not be questioned. If the admission fees received upon the exhibition dates of any such picture are not equal to the amount of the license fee due to Distributor therefor, Exhibitor shall nevertheless continue liable for the balance payable to Distributor after such trust funds have been paid to Distributor.

If any picture is licensed upon a percentage of Exhibitor's gross receipts Distributor's share of the gross receipts shall belong to Distributor when paid by the patrons and shall be held in trust for Dsitributor until paid to Distributor; and Exhibitor agrees to keep such portion of the gross receipts, segregated and in a separate fund and notwithstanding Exhibitor's violation of such requirements Distributor's ownership in such fund shall not be questioned.

ADVERTISING AND ACCESSORIES—TWENTIETH: Exhibitor agrees to advertise and announce each picture as designated in the main title. Exhibitor further agrees that in all newspaper advertising and publicity issued by Exhibitor relating to any of the pictures, Exhibitor shall adhere to the date of announcement contained in the advertising matter issued by Distributor.

ACCEPTANCE BY DISTRIBUTOR—TWENTY-FIRST: Until accepted in writing by an officer of or any person authorized by Distributor and notice of acceptance sent to Exhibitor this instrument shall be deemed only applications for licenses under Copyright, and may be withdrawn by Exhibitor at any time before such acceptance. Unless such notice of acceptance is sent Exhibitor by mail or telegraph within fifteen (15) days after the date thereof, if the said theatre of Exhibitor is located East of the Mississippi River, and within thirty (30) days after the date thereof if located West of said river, said application shall be deemed to have been withdrawn. The deposit by Distributor of any check or other consideration given by Exhibitor at the time of application as payment for any purpose or the delivery of a print or prints of one or more of said pictures shall not be deemed an acceptance hereof by Distributor.

CHANGES IN WRITING—TWENTY-SECOND: This license agreement is complete and all promises, representations, understandings and agreements in reference thereto have been expressed herein. No change or modification hereof shall be binding upon Distributor unless in writing signed by an officer of Distributor, excepting in an emergency and only then, a change or modification may be consented to in writing, but only by the representative of Distributor managing Distributor's exchange out of which Exhibitor is served, provided such change or modification does not change or modify the run, or clearance period, or decrease any rental, or eliminate any picture specified in the Schedule.
